Comments:

None

GIA COLORED DIAMOND SCALE

303083701

This Report is not a guarantee, warranty, or representation of the GIA Laboratory and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the GIA Laboratory and/or has been inscribed using the GIA Laboratory's equipment used by the GIA Laboratory at the time of the examination and/or inscription. Inscriptions reported in this document are not a guarantee, validation, or warranty of an article's quality or origin or evidence of that the article will be inscribed by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word, or symbol which is used in, on, or in connection with this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.

The security features in this document, including the hologram, security screen and microprint lines, in addition to those not listed, exceed document security industry guidelines.
